

CottageClub Welcomes

Gateway Property Management Is Here For You!

Gateway Property Management, Canada's largest privately owned residential and commercial property management company, has been hired by CottageClub

to manage the Condominium Owners affairs of the resort. Serving Canadians nationwide since 1964, Gateway's team of property management professionals provide CottageClub Ghost Lake with a wealth of talent and experience in the many issues that impact condo properties.

The longevity and experience of the Gateway team makes them uniquely qualified to give competent direction in the areas of administration, communication, operations and timely preventative maintenance to common area elements including the New Resident's Recreation Centre. All this experience ensures condo fees remain low at only \$163 / month.
