# WOODPECKER HOMES

## EUROPEAN CRAFTSMANSHIP

Authentic European designs, industry-leading eco-friendly materials, an unwavering commitment to detail and a budget mindful approach are standard features in a Woodpecker custom cottage. If you're looking for a one-of-a-kind cottage, marked with quality and distinction - visit Woodpecker Homes to create your vision. Woodpecker is a proud member of the Canadian Build Green Council and a builder of LEED® houses committed to a greener future.
